September Newsletter 2018

Dear Parents/Carers,

We are pleased to welcome everyone back this term and hope that you have all had a very enjoyable Summer break. We would like to extend a special welcome to the children and families who are new to the school. We hope you will be very happy at our school. Please find details of events planned for the Autumn terms along with general school reminders. Please forgive the list nature of this return to school newsletter, but parents have indicated that a summary of the information and reminders is useful to have in one place.

I would also like to introduce three new members of staff. Mrs. Mackinder has joined the school as a class teacher working jointly with Mrs Watson in Donaldson class. Miss Avery has joined us as a teaching assistant supporting in the early years and Mr Taylor as our new caretaker. I am sure you will join me in giving them a warm welcome and wishing them a happy and successful time here.

We plan to send newsletters out on a more regular basis this year. We were aware that the length of the newsletters was becoming long and not really user friendly. Hopefully you will find a regular, shorter letter more useful.

We have also slightly changed the format of the initial parent/teacher meeting. Parents/carers will shortly be invited collectively to attend the 'year ahead' information meeting. This will provide the opportunity for the routines and expectations for the forthcoming year to be explained. We hope this will ensure everybody receives the same correct information and confusion on for example PE or homework days is avoided. These meetings should only be brief and if there is any child specific information you would like to share with the teacher, time will be made available at the end for you to do this. Again we hope you will find this new system more useful.
