Headteacher: Mr. D. Pilsworth

5th February 2018

Dear Parents/Carers

I am sure you can't have failed to notice the two new banners along the front of the school politely asking you not to park in the layby.

I regularly write in newsletters requesting that the advisory road markings regarding the parking restrictions are adhered to. This is due to the congestion that is caused during peak times of the day around the entrance to the school and the danger this poses children who travel on school transport and for all pedestrians.

I ask again that the layby is not used by parents when dropping off or picking up children from school, including after school clubs, and hope the new banners act as a polite reminder.

Thank you for your co-operation in supporting the safety of the children.

Yours Sincerely

Mr. D Pilsworth
Headteacher
